

DOUBLE MURDER, DISCLOSED AFTER SEVEN YEARS, LEADS TO DIVORCE IN DISTRICT COURT

In the testimony in Judge Pratt's court yesterday, when Louise Hesse was examined prior to the granting of a divorce to her from Alma E. Hesse, evidence was given, which, if true, disclosed a fiendish crime which made her husband a fugitive from justice and a criminal of the deepest type.

Mrs. Hesse was granted the divorce on the ground of desertion, her husband having left her, according to her testimony, more than a year ago. He left, she said, because he saw in a newspaper that a crime he was alleged to have committed in Nebraska seven years ago, had been discovered and well.

TEN PER CENT OF ONE THEATER SEASON IN MONTH'S SALARY IS GIVEN OGDEN TO CLOSE THIS WEEK

Ogden's total for the first day of its Red Cross drive was reported to the committee yesterday evening as \$5,708.75, or approximately 10 per cent of the amount allotted for this district, which is \$55,000. The work today has been continued at an increased pace and nearly every business block of the city has had picnic cards distributed. The plan of the committee workers for the most part is to leave a number of the cards with the manager of the company visited and turn into his hands the work of getting them filled and a report of the results made. This has been productive of good results.

The average subscription which seems to be reported is 10 per cent of the one's monthly salary. People having an income exceeding \$400 per month in many cases are giving proportionately larger amounts. The smaller subscribers for the most part are turning over their pledged amount in a lump sum.

There were 225 subscribers yesterday. The largest amount came from the committee headed by W. H. Wattis, R. E. Bristol and James C. Pingree. There were four subscriptions reported on this committee amounting to \$3000. The day's report follows:

Committee A—W. H. Wattis, A. E. Bristol, James Pingree, four subscriptions, \$3000.

Committee 1—P. F. Kirkendall, F. J. Stevens, George J. Kelly, two subscriptions, \$250.

Committee 3—John Culley, L. R. Buchmiller, A. R. McIntyre, fifteen subscriptions, \$104.25.

Committee 7—H. L. Taylor, Charles Empey, Ezra Richardson, eighty-two subscriptions, \$1231.

Committee 14—George D. Bennett, nine subscribers, \$128.50.

Committee 15—D. E. Taylor, twenty-eight subscriptions, \$107.50.

Committee 16—C. D. Anderson, twenty-two subscriptions, \$79.

Committee 18—W. H. Wattis, twenty-nine subscriptions, \$207.50.

LABORERS WANTED TO ENTER SHIPYARDS IN NORTHWEST

A quick call for 200 laborers for the shipbuilding yards has been made on the state of Utah through the federal employment service, according to an announcement made this morning by H. W. Beckett, Sr., employment examiner at the local employment bureau.

In speaking of the number of men wanted for this special contingent, Mr. Beckett said that he is asked to get two carloads from among the citizens of Ogden in a great hurry, the Salt Lake headquarters office asking for a report tomorrow night.

Mr. Beckett asks that all men who would like to enter this service, the pay being at the rate of \$3.57½ for eight hours work, call on him at once at the local bureau, at the corner of Wall avenue and Twenty-fourth street. He says that if he is to get two carloads from Ogden the matter should be given wide publicity, therefore, he requests that persons learning of the call shall tell others.

The men are to leave for Portland, Oregon, on May 29, according to the notice received at the local office this morning. This call is not for skilled mechanics as the previous calls have been, but any laborer who is able-bodied and in good health, regardless of age, is eligible for the work.

CHILDREN OF OGDEN ARE TO BE WEIGHED TO SUPPLY THE GOVERNMENT WITH DATA

Yesterday Dr. E. M. Conroy, of the Weber County Council of Defense, received from the children's bureau, department of labor, the material for weighing and measuring children under school age. The committee members for doing this work, consisting of Mrs. James Cooper, Mrs. J. M. Canse and Supt. H. C. Johnson, are actively at work getting ready to carry out the government's orders.

The work will begin Friday morning of this week at the Quincy school.

PUPILS OF SCHOOLS GREAT ARTISTS IN DOING THEIR PART IN THE WAR "BLIND YOUTH" TOMORROW

The effect of the war on study in the schools of Ogden has been considerable, according to Supt. H. C. Johnson. The children all old enough to realize the meaning of the great struggle are keenly studying the war from many angles, following the battles, the geographical changes, and the historical events as they transpire. Not alone in study, however, are they following the times, says Superintendent Johnson, for the vocational departments have been making articles to sell for the Red Cross and other charities.

In speaking this morning, Superintendent Johnson said:

"The public schools are continuing their fine work in teaching the war activities of our country. All pupils in the advanced grades and high school have made a careful study this year of the reasons why we are at war, the attitude of our enemies, and President Wilson's plan for peace, as well as of our resources and preparation for war activities."

"This has created an intense interest on the part of all the pupils in doing their part as citizens. The children in the schools realize perhaps better than most of the grown-ups that our success in the war depends upon the way the people at home stand back of our boys 'over there.'"

"This week, as the crowning event of the school year in war work, the department of manual training, which includes pupils from the fifth grade through the twelfth grade, are going to have a sale of articles 'they have made in the shops, for the benefit of the Red Cross. The sale includes all kinds of pieces of practical furniture for the home and for the farm. The art department will have a number of useful articles for sale from children throughout the school system. The department of sewing will sell articles of clothing that have been made by pupils of the fifth to twelfth grades, inclusive. The domestic science department will sell candies and serve refreshments. The music department of the high school under the direction of Marcellus Smith will furnish music by the band and orchestra of the Ogden high school. A program will be given Thursday evening in opening the sale. The sale will be held the last three days of this week, May 23, 24 and 25, at 2354 Washington avenue, in the old Carver grocery store."

Take a slant at the picture and see if you can imagine the Billy Sunday you know, the tabernacle Billy, smiling his \$200 an hour smile for the benefit of one of the gentle of the white apron and buns starter. But that's just what it is. Billy played, right field for a team of old-timers in Chicago the other day. The game was played for the benefit of Jackies at the Great Lakes Naval Station. On the keystone sack of Sunday's team was Fred Pfeffer, who owns a saloon in Chicago. Fred and Billy played with Cap Anson's Cubs way back in the eighties and nineties.

UTAH—TODAY—ONLY TOMORROW ONLY

Dear Madam:

The superb Artcraft picture extraordinary, "The Blue Bird," a visualization of the famous symbolical play of the same name, by Maurice Maeterlinck, will be displayed at the Utah theatre, only two more days.

It is perhaps needless to remind you that this is a picture production of the greatest magnitude, unequalled in the cinema world, and that if you fail to see it, you will suffer a distinct artistic loss.

Sincerely Yours,
A. J. FYHN,
Manager Utah Theatre.

A Thousand Smiles! A Thousand Sobs. A Thousand Beautiful Scenes!

A photodrama that will put new courage into America's hearts, the sort of a play that lifts dark thoughts into the sunshine.

AMERICAN LABOR MEN END WORK

Lord Mayor of Dublin and Other Sinn Feiners Fail to Appear.

DIGNITARIES SPEAK

Eulogize United States and Hope Ireland Will Co-operate Better in War.

DUBLIN, Monday, March 20.—The three days' visit to Ireland of seven members of the American labor mission closed today with a luncheon given by Lord Decies.

Unionists and Nationalists were both well represented and official Dublin attended in a body, those present including Edward Shortt, the new chief secretary for Ireland, and Major General Shaw, the new commander of the British forces in Ireland. It was obviously impossible that members of the real revolutionary school of the Sinn Fein could be present at the same table with Secretary Shortt and General Shaw but the more moderate wing of the Sinn Fein was to have been represented by Laurence O'Neill, the lord mayor of Dublin. Mayor O'Neill, who had been out of the city, found it impossible to get back to Dublin until mid-afternoon and sent a message of regret with a request that the delegation meet him at his office after the luncheon.

The principal speakers of the occasion were the two highest legal dignitaries in Ireland, Sir Ignatius O'Brien, the lord chancellor, a leading Nationalist and Sir Edward Carson, the Unionist leader. Both speakers eulogized the great part the United States was taking in the war and expressed the hope that there would also soon be greater co-operation from Ireland in the work of defeating the Germans.

CITY RAILROAD OFFICES COMBINED

WASHINGTON, May 21.—Consolidation of the city seven railroad ticket offices of Chicago in a single office in the insurance exchange building was approved today by Director-General McAdoo. The saving in rental would be nearly \$200,000 a year.
